

CLAPHAM PRIMARY SCHOOL

AFTER SCHOOL SPORTS 2025
INFORMATION BOOKLET

Government of South Australia
Department for Education

Principal
Cassie Kopias

Deputy Principal
Sam Leane

Assistant Principal
Alicia Sobol

➤ PURPOSE

Clapham Primary School (CPS) offers students a variety of out-of-school team sports. This booklet will provide you with all the information you need to know about each sport in the hope of assisting both you and your child in making an informed decision about how and where you can be involved during the year.

➤ SUMMER / WINTER SPORTS

All sports will be classified as either Summer or Winter sports:

Summer Sports are played during Terms 1 and 4 (These currently include: Cricket and Basketball).

Winter Sports are played during Terms 2 and 3 (These currently include: Soccer and Netball).

Note: If your child chooses to pull out of their registered sport in their second terms 3 & 4, there will be no refund issued.

SUMMER SPORTS OFFERED

Terms 1 & 4

Basketball - Rec - Year 6

Cricket - Years 2 - 6

WINTER SPORTS OFFERED

Terms 2 & 3

Netball - Years 2 - 6

Soccer - Reception - Year 6

➤ **REGISTRATION FEES**

For successful student participation in a desired sport, both a filled registration e-form (on Audiri) and any necessary fees (paid via invoice) must be submitted by the due date at the beginning of the appropriate term. If a team is viable, the parent/caregiver(s) of the child will be notified and issued an invoice for payment to be returned to the finance office.

LATE REGISTRATIONS:

In the case of too many children registering for a sport and limited coaches available, students will then be accepted on a first come first served basis and will have to wait until the following intake. It is essential if you are considering committing as a coach or helper that you do so in the first instance, as it will not be the school's role to find volunteers after the due date. A team will only be viable if by the due date enough students have registered, and adequate numbers of adult volunteers are in place before the start dates.

➤ **TROPHIES**

Every fully paid registered player will receive a trophy of participation provided by the school. If teams wish to, end-of-season gifts are not provided by the school. They are provided voluntarily by each sports team to thank individual coaches and team managers. Collections to fund these gifts are to come from the parents/caregivers of children participating in the sport.

➤ **UNIFORMS & EQUIPMENT**

Uniforms are provided to students before their 1st game, and a uniform hire fee will be included in the registration fee. Players are expected to provide and wear their own protective equipment for each sport (i.e., shin pads for soccer).

Equipment is purchased and provided through sports team funds (along with a first aid kit and keys/fob for school access) to the necessary coach or team manager at the start of each sports season. It remains their responsibility to look after their given resources until the season is completed. Coaches should request purchase or replacement of items through their Sports Coordinator, which will then be reported to the sports administrator for further discussion with school leadership.

Note: Usually only 1x set of keys/fob are given to each team during their active terms and can ONLY be used to access school site on the day of fixtures and training, NOT any other time. The allocated adult volunteer who will be responsible for their team's keys/fob will need to both collect it and sign off at the Front Office.

➤ PARENTAL / CAREGIVER RESPONSIBILITIES

Although the school will actively foster afterschool sports, the number of teams registered to compete depends on the following:

- 1)Willingness and adequate numbers of parents/caregivers to coach, manage and supervise teams each week for both training nights and game days
- 2)The number of student interest from each required age group to make up a full team (lack of numbers can mean the team cannot go ahead)

For the sport to go ahead, a Sports Coordinator (parent/caregiver/volunteer) is required. The sports coordinator's role is to organise times, dates, players, and any other information, including delegating tasks. Their general point of communication is via team/group emails or whatever is best suited for the team to ensure parents are duly informed of activities and changes. General enquiries can be directed to the Sports Administrator or Leadership.

A Coach is required for each team to ensure appropriate training and game leadership is provided weekly. It is also recommended that all teams appoint at least one Team Manager to assist and support the Coach. Other volunteer roles such as timekeepers and scorers provide other avenues for parental involvement.

Transporting children to sporting venues is the responsibility of parents/caregivers. If a parent/caregiver fails to collect their child at the conclusion of practice, coaches will be instructed to send the child to OSCH, which will be at the parents/caregiver's expense.

➤ FIRST AID

Upon registration, parents/caregivers must provide information regarding a child's pre-existing medical condition so all concerned are aware and can take appropriate action if the need arises. In this instance a medical information form must be completed and returned with the registration/consent form.

Each team manager or coach must have a first aid kit and have it re-stocked, when necessary, by the front office. First aid kits contain basic materials for minor injuries (i.e., band-aids, icepacks, etc.) and are to be returned at the end of each sport season so that it is available for the next active after school sport.

➤ HOT WEATHER POLICY

If the predicted temperature on the Bureau of Meteorology website (www.bom.gov.au) at 12 noon on the day before is forecast 36 degrees or above:

- all scheduled matches will be cancelled
- all training/practices will be cancelled

If there is lightning or hail, matches and practice will be cancelled immediately. If rain falls during practice the outdoor activities will be curtailed, and the children will be taken to a sheltered location. Practices may be cancelled the previous day if all children can be notified. Coaches are responsible for contacting the players. If coaches are unable to cancel practices at short notice, they will retain the responsibility for supervising the players until they have been collected or can dismiss them at the usual time and in the prearranged manner if parents have been advised of the earlier dismissal. Parents are encouraged to monitor the weather conditions and have children collected early if the weather makes it impossible to practice.

➤ AFTER SCHOOL SPORTS MANAGEMENT STRUCTURE OVERVIEW

All CPS sports teams are under the care of both sports and school leadership. The sports and leadership team generally meet once a term and are responsible for carrying out the following functions:

- Investigate and encourage the long-term viability of the various sports
- Encourage and foster high parental involvement in the offered sports as required
- Oversee sports grounds, facilities and equipment needed for the program
- Offer appropriate administration for the functionality of the sports including communication to all involved, process of fees/budgets and other general organisation of the program
- Assist the school in managing and conducting sports activities
- Encourage and assist participation in coach education
- Liase with and provide information to the school community regarding appropriate community, Department for Education, or privately-operated sports clinics and programs.

SPORTS MANAGEMENT MEMBERS

Leadership Representative

Role: Representing Leadership by overseeing afterschool sports and working with Sports administration and volunteer coordinators. Ensure that the program is abiding to the Department for Education Sport Policy.

COACH AND TEAM MANAGER – CODE OF CONDUCT

Safety and Health of Participants

- Place the safety and welfare of participants above all else
- Be aware of and support the sport's injury management plans and return to play guidelines

Coaching Excellence

- Help each participant (player, official) to reach their potential. Respect the talent, developmental stage and goals of each person and encourage them with positive and constructive feedback
- Encourage and support opportunities for people to learn appropriate behaviours and skills
- Support opportunities for participation in all aspects of the sport
- Treat each participant as an individual
- Obtain appropriate qualifications and keep up to date with the latest coaching practices and the principles of growth and development of participants

Honour the Sport

- Act within the rules and spirit of your sport
- Promote fair play over winning at any cost
- Respect the decisions of officials, coaches and administrators
- Show respect and courtesy to all involved with the sport
- Display responsible behaviour in relation to alcohol and other drugs

Respect

- Respect the rights and worth of every person regardless of their age, race, gender, ability, cultural background, sexuality or religion
- Do not tolerate abusive, bullying or threatening behaviour

Integrity

- Act with integrity and objectivity, and accept responsibility for your decisions and actions
- Ensure your decisions and actions contribute to a harassment free environment
- Whenever practical, avoid unaccompanied and unobserved one-on-one activity (when in a supervisory capacity or where a power imbalance exists) with people under the age of 18
- Ensure that any physical contact with another person is appropriate to the situation and necessary for the person's skill development
- Be honest and do not allow your qualifications or coaching experience to be misrepresented
- Never advocate or condone the use of illicit drugs or other banned performance enhancing substances or methods
- Never participate in or advocate practices that involve match fixing .
