<b>Approved by:</b>	<b>Principal:</b> Cassie Kopias	Governing Council
<b>Date:</b>	March 2024	Review: March 2027

Our school uniform plays an important role in promoting a positive image of Clapham Primary in the community and creates a sense of identity and pride among students.

The policy represents a commitment to our school values of Respect, Responsibility and Co-operation which underpin the teaching and learning at Clapham Primary. Our aim is to have a learning environment that is supportive, positive, non-discriminatory, equitable and safe.

Students are expected to wear the uniform with pride at all times during school hours, especially on excursions, and also while travelling to and from school, and when engaged in school activities out of school hours.

Wearing of the uniform is an important factor in ensuring the safety of students as it allows quick and easy identification of a student's association with Clapham Primary.

The Uniform Policy is inclusive of, but not limited to, considerations based on gender, disability, religion and culture. Students have the right to wear clothing which allows for freedom of movement and a level of comfort. Awareness of and sensitivity to financial situations has been taken into consideration and our uniform offers affordable clothing for all students.
